Notification Cattle Movement – Taken from www.irishshows.org

Important Information for Exhibitors of Cattle 2017

Keepers wishing to show cattle in 2017 must obtain a Certificate of Compliance prior to the movement of the animal to the Show. This ensures that the animal(s) in question has the necessary TB, BR and BVD tests recorded on the Department's database and that the keeper presenting the animal is not restricted by the Department. Certificates of Compliance can be obtained online from the Animal Identification and Movement (AIM) system through the www.agfood.ie facility or from the Cattle Movement Notification Agency. When applying for a Certificate of Compliance, keepers should not specify a destination herd. On the day of the Show, the Certificate of Compliance should be presented to the Show Secretary along with the bovine passport for the animal. The keeper and the Show Secretary will then sign the Movement Notification section of the Certificate which will then be sent to the local DVO for recording onto the AIM system.

Please note that only cattle for which a valid Certificate of Compliance is provided to the Show Secretary can be shown on the day of the Show

The reason being that if your animal were to lash out and injure someone or damage property and it was established that it was your animal was out of your control at the time, you may be held responsible or partly responsible and could have to pay all or part of any settlement reached.
